AMERICAN JOURNAL OF PUBLIC HEALTH

VOLUME 63, 1973

INDEX

	Pages		Pages
January	1– 94	July	573– 666
February	95– 188	August	667– 764
March	189– 284	September	765– 830
April	285– 376	October	831– 924
May	377– 472	November	925–1018
June	473– 572	December	1019–1122

American Public Health Association, Inc.
1015 Eighteenth Street, N.W., Washington, D.C. 20036

Index to Volume 63, 1973

How to Use the INDEX

This is an Index to all the reading matter in the Journal. It is essentially a title and author index, although subject headings are provided.

Articles, Committee Reports, and Editorials are listed alphabetically according to the key words in the title, with many cross-references.

Editorials are indexed under "Editorials," as well as alphabetically under the key words in the title.

Obituaries are indexed under "Deaths."
